

Privacy Policy

Salom Assist

Effective Date: 01.01.2025

1. General Provisions

This Privacy Policy describes what data the mobile application Salom Assist collects, how it is used and protected. By installing and using the application, you agree to the terms of this Policy.

2. Data Collection and Use

The application may collect the following categories of data:

- Personal data provided by the user (name, phone number, email address).
- Technical information (device model, operating system version, IP address).
- Data required for the functionality of the application (e.g., access to the camera, microphone, location — only when necessary and with the user's permission).

Collected data is used exclusively for:

- Ensuring the operation and improvement of the application.
- Personalizing the user experience.
- Providing feedback and communication with the user.

3. Data Sharing with Third Parties

We do not share your personal data with third parties, except in cases:

- When required by law.
- When necessary for the operation of services (e.g., push notifications, analytics, payment systems) — and such services are obligated to ensure data confidentiality.

4. Data Storage and Protection

We take all necessary measures to protect users' personal data from unauthorized access, alteration, or destruction.

5. User Rights

You have the right to:

- Request access to your data.
- Request correction or deletion of your data.
- Withdraw your consent to data processing.

6. Changes to the Policy

We may update this Policy from time to time. The new version will be published along with its effective date.

7. Contact Information

For any questions regarding data processing, you may contact us:
